

## DIRECTIONS TO OUR BEIJING OFFICE

From 1st September 2015 our office will be closed to general visitors. Only use these directions to visit our office by prior appointment with a member of our operations team.

Our office in Beijing is in the Embassy and entertainment district of Sanlitun. We are located between the 2nd and 3rd ring roads, in the east of Beijing. Famous landmarks in the area are 'Sanlitun Yashow', 'Taikooli Village' and 'Sanlitun Bar Street'. We are between the Beijing Subway Line 2 at **Dongsishitiao** (~25 minutes walk) and Line 10 at **Tuanjiehu** (~15 minutes walk). If you take a taxi, head to Yashow and be aware the traffic in this area (if not all of Beijing) can be horrendous.

### Sanlitun Area Map

Most taxi drivers will know **Sanlitun Yashow Clothing Market (雅秀市场)** and **Sanlitun Bar Street (三里屯酒吧街北)** which are in east Beijing between 2nd and 3rd Ring Roads. On arrival, the biggest landmark to look out for is **Taikooli Village South** with flagship stores such as UniQlo, Adidas and Apple. Yashow is just to the left /west of Tai Koo Li Village. Using the map, make your way to the footbridge in front of Yashow and you are just a few minutes from our office.

### Local Directions

Presuming you have found Sanlitun Yashow, then you are just two minutes from our office. Use the detailed map and follow the red arrow. From the footbridge over the main road, walk to the left (west) hand side of the Yashow building. Across the side street there are some trees with some small shops underneath. Walk through the iron gate between the fruit stand and the DVD shop and you are in Bei San Li Community, with mostly Chinese apartments. We are a small 2 storey building in between Building 26 and Building 27, 50 metres on the left hand side after you walk through the gate. A small entrance gives access to a small courtyard (look for our poster). If the door is closed you will need to ring the bell. Take the stairs at the rear of the courtyard leading to our office on the second floor.

## GENERAL DIRECTIONS TO SANLITUN

### From the Train Station

If you are coming off the Trans-Siberian train or from Shanghai overnight, you will arrive at **Beijing Main Station** (北京站 Běijīng zhàn). Line 2 stops at Beijing Railway station but Dongsishitiao stop (line 2) is 20 minutes from our office, see metro section below. It is recommended to cross over the road (use the left footbridge) to take a taxi from the rank next to the post office to avoid a detour the wrong way around the ring-road! Cost should be around ¥25 (~US\$3) and should be less than 30 minutes. Make sure you have Chinese currency as taxi's won't accept US\$ and there is no exchange counter at the train station.

If you are travelling from Hong Kong or most of China by train, you may arrive at **Beijing West Station** (北京西站 Běijīng xī zhàn). The metro is a ten minutes walk north from the train station although a new stop at the station is slated to open in 2012/13. Our office is about 18km away. By taxi it will cost ¥40 to ¥60 RMB. (~US\$5 / US\$7). Queue up and take a taxi from the main taxi rank inside the station. It will take more than 1 hour to get to our office.

More and more trains, especially the newer express trains, arrive at the **Beijing South Train Station** (北京南站 Běijīng Nán Zhàn) which was newly built before the Beijing Olympics and opened on 1st August 2008. This train station is on the Subway Line 4 and with heavy traffic congestion travelling into the centre, the subway may be the best way to travel. If travelling by taxi, the station is located between the 2nd and 3rd ring roads.

### By Metro

Avoid the growing traffic jams in the City and use the metro. A single journey on the metro costs from ¥2 depending on distance. Take **Subway Line 2 to Dongsishitiao** (东四十条) on the east side of the Loop Line (line 2). From here it is a 20 minute walk to our office. Take Exit B for Poly Plaza and walk directly east along Gongrentiyuchang (Gongti Beilu), pass McDonald's on your left and the Worker's Gymnasium on your right. Cross Chunxiu Lu and pass the Worker's Stadium on your right. Cross over Xindong Lu and as you pass Jingkelong and KFC look out for Yashow (marked on our map and known by taxi drivers). With luggage hop in a taxi (or bus #115, #734, #834, #113 to 'Sanlitun' for ¥1) from Dongsishitiao metro and you should get to Yashow in around 5 minutes (depending on traffic) for the minimum fare of ¥13.

If you are not coming from the centre of Beijing, travel on **Subway Line 10 to Tuanjiehu** (团结湖). Leave from Exit A (come back on yourself as you exit to ground level and turn right on to Gongrentiyuchang). Walk directly west towards Sanlitun, away from the flyover, with 1001 nights and Rumi restaurants on your right. Cross the traffic lights, see Tai Koo Li Village (UniQlo, Adidas) and just beyond this the Yashow market. Walk through the car park and you are so close to our office compound.

### From Airport

Do not interact with the taxi touts in the arrivals hall and queue up for a regular taxi from the rank and insist they use the meter. Proper taxis will display a 'supervision card' on the front passenger dashboard. The journey should take less than 1 hour and will cost less than ¥100 (US\$12) for the airport expressway toll. Make sure you have our address (as below), or at least Yashow written in Chinese in large font. Most taxi drivers do not speak English and can barely see (small script)!

There is a **CAAC shuttle bus** that brings you into town for ¥16 and the closest stop is Dongzhimen (route 3: first stop Dongzhimen), near the German / Canadian Embassy. It is a 20 minute walk south along Xindong Lu to our office.

There is also the **Airport Express Train** which brings you in to Dongzhimen Transfer Station (last stop), also listed on our map. At least a 30 minute walk to our office. Not recommended with luggage, especially in the summer!
